**The Christian A. Herter Memorial Scholarship Program** provides financial assistance to Commonwealth of Massachusetts students who demonstrate academic promise and aspirations for higher education. The special role of the Christian A. Herter Memorial Scholarship, as an early identification program, is to recruit **high school sophomores** and **juniors** whose socio-economic backgrounds and environmental conditions may inhibit their ability to persevere and attain their educational goals.

Since 1972, the Christian A. Herter Memorial Scholarship has assisted Massachusetts students with their higher education costs. Each year, twenty-five students are selected as Herter Scholarship recipients. Awards are determined annually, based on a student's college Cost of Attendance, demonstrated need, and the level of funding for the program. Scholarships are awarded for a maximum of four years and are subject to annual appropriations from the Massachusetts Legislature.
