Institutions are required to refund to the Department any funds that are deemed to have been improperly awarded and disbursed to recipients who are later determined to be ineligible for the Foster Child Grant program.

ANNUAL REVIEW

The Department of Higher Education (DHE) is responsible for evaluating the effectiveness of the Foster Child Grant program. Institutions that have signed an agreement to participate in the Massachusetts State financial aid programs are required to share data for all students with the Massachusetts Department of Higher Education or its designee, and the Office of Student Financial Assistance for this purpose. The program may be evaluated annually to determine any immediate impact or to determine if adjustments are required for various processes, such as disbursement of funds.

PARTICIPATION AGREEMENT

All institutions receiving funds under the Foster Child Grant program must have an active Massachusetts State Financial Aid Participation Agreement on file with the Massachusetts Office of Student Financial Assistance (OSFA).
