STEM WEEK

October 21, 2024 - October 25, 2024

Monday, October 21, 2024

STEM in Healthcare

We're kicking off the MWCC STEM Week by looking at careers in Healthcare!

Stop by on Monday for our Selective Program Info Session, Campus Tours, and Panels featuring VIPs from different Healthcare Professions!

Tuesday is dedicated to the STEM programs that are applicable to military careers. Join us for preview days for our Computer Science, Computer Information Systems, and Chemistry programs here at MWCC, and how they can be applied to a career in the armed forces.

Tuesday, October 22, 2024 STEM in Military Careers

Wednesday October 23, 2024 STEM & The Great Outdoors

Wednesday focuses on STEM related degrees that focus on work done in The Great Outdoors! We'll be looking at programs that bring you closer to nature, and working out in the fresh air. Join us for academic preview days in our Earth and Environmental Sciences, Environmental Conservation Sciences, and Regenerative Agriculture

Thursday provides a look at STEM jobs in non-traditional STEM careers. Come and join us for exploring our STEM in the Arts event, with an Academic Preview day for Graphic and Interactive Design, as well as looks into the growth and use of AI technology in the arts.

Thursday, October 24, 2024 STEM in the Arts

Friday, October 25, 2024 Physics & Math Day

Friday wraps up our STEM week with a focus on Physics and Math programs at the MWCC campus. With Academic Preview days for Math and Engineering and Physics programs. Prof. Peter Olszak will also be presenting from 11:30am-12:30pm

Interested in bringing a large group?

Funding for a bus from your school may be available! Email Emma Zink to request this support.
