Hi Allison,

Please see the attached flyer for our STEM week events.

Have a great weekend!

The flyer features a dark red background with the STCC logo in the top left. The main title "STEM WEEK at STCC 2024!" is centered in large, bold, white and blue letters. Below the title, a grid of light red boxes lists the events for each day of the week. At the bottom, there is a photograph of a white electric car being charged at a station, with solar panels in the foreground and wind turbines in the background. Logos for HSI@STCC, TITLE V Hispanic Serving Institution, and STCC STEM starter academy are also present.

Day	Event
SATURDAY 19	Recharge America! Career Fair & Family Science Day!
MONDAY 21	Aeronautics
TUESDAY 22	Zoology with Pet Therapy!
WEDNESDAY 23	Donuts with the School of STEM
THURSDAY 24	Fast Cars and Hot Cocoa!

Logos at the bottom: HSI@STCC, TITLE V HISPANIC SERVING INSTITUTION, STCC, and STEM starter academy.

Don't miss this opportunity to engage with the future of electric vehicles (EVs) and the electrification sector. The event will include a career fair showcasing opportunities. See how electric vehicles are paving the way for a cleaner tomorrow. **Building 2 from 10:00 to 2:00pm!**

Explore the science and careers in flight. Meet Airforce pilots, take the controls in a flight simulator, and try to solve a 'flight themed' engineering challenge. Come soar with the STEM Team in **Building 2, Room 109/110**

Come join us outside of **Building 19** for an afternoon of relaxation with animals! **12:15-2:15pm**

Get to know the STEM Center and STEM Deans of STCC! Do you have any questions about their path? or STCC? Come enjoy a tasty treat and chit chat! **Building 19 Forum**

Vroom, vroom! Think you have what it takes to build a car from Legos, race it and win? Well, join us on Thursday to put your skills to the test! You'll be timed to build, test it, and race it. Drink and snacks provided. **Outside of Building 19 flat concrete space.**

All events are at 12:15pm to 1:15pm unless otherwise noted.

--

Regards,

Samar Ghrear, MBA
