# Quantitative Literacy Faculty Workshop

Lunch & refreshments will be provided.

A collaborative planning and design session for faculty from **all** disciplines to discuss and implement solutions for building students' quantitative literacy.

- Bring an assignment and/or syllabus
- Work with faculty colleagues from other campuses
- Learn about quantitative literacy from Dr. Matthew Salomone, Bridgewater State University
- Discover new ideas and approaches like *TILT (Transparency in Teaching & Learning)* from Dr. Mary-Ann Winkelmes, Brandeis University

Contact your campus **AMCOA** Representative to reserve a spot.
